Georgia Makes State

Georgia Hart has been selected for the CHS North Coast Girls Netball team to play at the State Championships in May. Georgia said “Netball has grown on me. I’ve been playing since I was eight or nine.” Georgia is now 16. Georgia also plays basketball and touch. She enjoys all sports, netball in particular, having had a longer history in the sport. “I became and stayed involved due to support from my parents, plus I enjoy it and it seems I’m good at it. It has led me to a lot of experiences. I have been in the North Coast Academy for netball. I have been to state for Ballina since 12’s, and have played at a range of tournaments – so many different experiences – it has kept me interested.” Netball is played in most countries in the Commonwealth. “I haven’t really thought about overseas experiences. I hope to play for the uni I attend in the future. I don’t think it will be a career. Living in a rural area we don’t have as many opportunities as when living in the city.” Georgia plays in the Centre position. Georgia said she hasn’t experienced the tall poppy syndrome, isn’t phased by it “– usually the ones complaining aren’t that good at the game”. Georgia participated in the CHS Northern Rivers Zone trials for netball. The Possibles and Probables played at Casino. As an outcome Georgia was chosen in the Northern Rivers Zone team. Georgia played in the Northern Rivers Zone team at Byron Bay on Thursday 20th March against Far North Coast Zone, Mid North Coast, and Lower North Coast. As a result of this a north coast possibles and probable squad was selected. Five consecutive games were played. Ten players were selected, including Georgia, for the North Coast team to play at the State Championships May 27-29 at Coffs Harbour. Georgia said “The physical demands of the game are high, especially for the Centre. Basketball and touch are not as demanding.” When asked, Georgia said her knees are OK and she has never had a serious injury, only a light tear in the quad.

In 2012 she tried out for the North Coast Academy and was not selected. She tried out for the Talented Athletes Program which is also run by NCAS. She was selected. Being selected in TAPS led to attending the Northern NSW camp – when she was 15. She trialled again in 2013 for the Academy and was selected. The Academy squad trains four times a year. Georgia went to the Netball championship against other academies in Maitland in 2013. This April will be Academy games again and her last participation. She did not try out for Academy for 2014, “so this is my last commitment with the Academy at this time. Going into Y11 I thought it might have been too much. I have covered the Academy experience – it has been described to me in subsequent years as repetitive and I feel I can improve better with personal training. It was a good experience.”

When thinking about options after school, Georgia said “I want to go to uni and do something in the health sciences/science area. I am targeting a Brisbane
Our under 15’s relay team are off to Sydney to compete in the State Championships on Monday of next week. Team members are Aidan Yourell, Tyler Lewis, Mick Bussell and Caleb Yourell. Zac Armstrong was originally in the team but he’s out due to a recent shoulder injury. Best of luck to the team and thanks to the parents for their support.

Year 7 2014 Welcome BBQ
Thanks to all students and staff for their support of the Year 7 2014 Welcome BBQ on Monday: a relaxed way for parents to interact with teachers of Year 7.

Year 7 2015 Information Night
Special thanks to all the students and staff for their support of the Year 7 2015 Information Night. It was a large attendance which saw many have the opportunity to view the facilities of the school and hear from students first hand of the experiences at Evans River. Well done and thank you!

Rob Walker – Principal

NIPS (Non-Attendance Interview Program)
The DEC Home School Liaison Officer will be conducting interviews at Evans River K-12 School commencing, Wk1 T2 2014, your child may be selected for interview to discuss absences. This includes: Whole day absences, Partial absences (lateness).

Shelly Cawley HSLO

Good Luck To Our State Swimmers.

Zac Armstrong was originally in the team but he’s out due to a recent shoulder injury. Best of luck to the team and thanks to the parents for their support.

Year 12 Fundraising Excursion
Dreamworld
This Sunday at 8:00am a bus will leave the school for the Year 12 fundraising excursion to Dreamworld. Miss Cotten, and Mr Robertson will supervise the excursion. You are reminded that daylight savings ends on Sunday morning, at 3:00am wind your clocks back one hour. We hope the students that attend have a great day.

School Photos
On Monday 7th April school photos will be taken over the course of the day. If you would like a family photo an envelope is available from the office. It is the responsibility of children to get family photos done during recess and lunch. Photo envelopes and money are handed to the photographers they are not to be handed to the office.

CANTEEN NEWS
What a wonderful Term it has been in canteen. I would like to thank everyone who has contributed to the canteen this term. Pacific Bulk Foods have been an enormous support, donating $500 worth of product, thanks Mark and Denise. To all the fantastic volunteers who have given up their time to help in canteen, we really could not have achieved a half of what we have done without you and all your talents. You are all so wonderful, thank you. To all the generous donations of fresh produce, we use and appreciate everything that comes our way. Thank you so much to the wonderful children of this school, who have embraced the changes made and have made the canteen a great success. You guys rock!

To all staff, especially Yvonne Sharpe who’s encouragement and support is constant and very welcome. Thanks also to Bethany Bayliss, Claire Brownhill, Erica Baylis and Mya Tosomeen, who always help when asked. Thanks to Craig and Ann Tosomeen, who generously donated an upright freezer and to a magic P&C Association, who always listen and are always open to all my weird and wonderful ideas. Lastly to me, the glue that binds it all together. Happy holidays everyone, from your elated canteen supervisor.

May 06 Senior Ag & Business Studies Exc Newrybar
May 08 Years 7-12 Athletics Carnival Evans Head
May 12 School Council Meeting 6:00pm Library
May 19 P & C Meeting 4:30pm Library
Thank you to everyone who sent in vouchers for the Northern Star iPad competition, especially Jan Hobbins and all her friends. The competition is now closed and we sent away 1635 vouchers. Fingers crossed we win.

Last Monday evening we had two events at school. The first our Year 7, 2014, get to know you BBQ, with many parents and teachers attending. Thank you to Mr Wythes, Mr Mulherin and Ash Bell the chefs on the night.

The second event on Monday evening was the Year 7 - 2015 Information Night. The event was well attended and prospective students and their families heard from the 2015 Year adviser, Mr Grant-Frost; then they went on a tour of the school. There were nine groups touring the school and these groups were led by students from the School’s Student Representative Council. The SRC students did a great job leading the groups, they were very conscientious and kept the tours on schedule as well as interacting with visitors and staff.

Visitors tried out the equipment and learnt how woodwork WORKS.

Visitors were treated to some delicious food from our hospitality students.

Daylight Savings Ends this Sunday 6th, April. Wind your clock back one hour.

P&G News

Science Trivia!
This Week’s Question: Worldwide, how many people die each year from Malaria?

Last Week’s Question: Name of the vein which carries oxygenated blood around the body?

Answer: The pulmonary vein. (Veins come to the heart from around the body and carry deoxygenated blood, except the pulmonary vein. It comes to the heart from the lungs and carries oxygenated blood).
