Year 12 Carnival a success!

Year 12 are to be congratulated on a very successful school community activity held last Friday afternoon. The carnival commenced at the beginning of lunch and ran through till about 5.30pm with a pause during period 5 classes. In my many conversations with parents, students and community members two points were routinely shared with me: the sight of older brothers and sisters, or family friends, holding hands with the younger members of the school, taking them to rides and activities, ie the wonderful nature of our K-12 school and, secondly, the very reasonable cost to enjoy the activities on offer. The Zorb Ball and Jumping Castle were very popular, but there were many painted faces and a lot of fun at the Haunted House. The competition stage provided many laughs. There were cakes and a barbecue to enjoy and many people came to school to enjoy the occasion.

Members of Year 12 learnt a lot in developing the afternoon. In November last year the students participated in a workshop where they developed their thoughts about how they would like their Year to be remembered - the Class of 2014. They then created activities that would achieve this dream. Carnival was one of those activities. The Year group have acted in a cohesive and team spirited way to put together Carnival. The team was led by Natasha Reid and they were well supported by their Year Adviser, Ms Cotten. Well done Year 12 and thank you for your gift to our school community last Friday.

Acceptable Uniform 2014

Jade shirt with embroidered logo (white with embroidered logo for seniors), plain navy on bottom half (not denim & no coloured inserts, stripes, pockets or logos), footwear is to be completely black (no coloured logos, trim, sides of soles or laces), footwear must be leather, suede or vinyl (not canvas), completely cover the foot (ie sealed, no mesh) and of sturdy construction (ie a shoe or boot; ugh boots are not acceptable); navy, black, grey or white short socks (not multi-coloured). Shorts and skirts must reach the length of the finger tips when arms and hands are extended down the side of the body. Boys: One of the three school tops for cold weather (all have the school’s logo). Girls are same except they also can wear plain navy button down knit cardigan. Navy is preferred for headwear. Senior students are also permitted to wear a plain white button down shirt with firm collar (ie not a polo) with a school tie, pleated navy slacks, shorts or skirt, with white socks. Black leather shoes must be worn.

We look forward to seeing you come along to support your children! If you’re available to come and help on either day, please let Mrs Fields know.

Both carnivals will commence at 10:10am, starting in the Primary area and moving to the big oval.

On the track events day, students will be participating in their age race 70m, 100m, 200m, relays and novelty events.

Students participating on the day may wear their house colours, suitable shoes and a hat. They will require plenty to drink and snacks/food to see them through the day. The canteen will still be operating.

If you’re available to come and help on either day, please let Mrs Fields know. Any help is appreciated. We look forward to seeing you come along to support your children!

Nationally Consistent Collection of Data – School Students with a Disability 2014

Evans River K-12 School is again participating in the National Data Collection. This is the second year of this initiative and will be compulsory for all schools in 2016. The data collection is designed to collect information regarding students who have additional needs and will be utilized to eventually fund schools to assist students. These needs may range from diabetes, asthma, epilepsy, physical or cognitive impairment. It is extremely important that we capture all students who have additional needs to ensure we receive the funding to support them at school. A letter will be sent home with your child if they are identified as requiring any form of support.: i.e. medical plans through funding to support them at school. A letter will be sent home with your child if they are identified as requiring any form of support.

Students will be on this June. The Track Events Carnival for K-6 will be held on the following Friday 20th June.

On the field events day, students will be participating in shot put, discus, high jump and long jump.

On the track events day, students will be participating in their age race 70m, 100m, 200m, relays and novelty events.

Both carnivals will commence at 10:10am, starting in the Primary area and moving to the big oval.

Year 10 Careers Evening

Wednesday 25th June 6-7pm School Performance Hall

All of Year 10 were recently surveyed to find out what occupations and careers they may find interesting. Following this survey, a careers evening has been organised where employers, currently working in the more popular occupations indicated, will present to the students an outline of their jobs. Students will also have the opportunity to ask questions.

The employers that will be present on the night include: professional photographer, motor mechanic, veterinarian/vet nurse, builder, midwife/nursing, engineer, youth worker, primary teacher, sound engineer/music teacher, cabinet maker, Airforce officer, preschool teacher and policeman.

The students will nominate and move through three different occupations on the night, giving them a broad insight into several jobs.

Although this night is not compulsory, it is expected that all available students will attend. If you have any further questions about the night please don’t hesitate to contact me on 6682 6666.

Chris Hayward, Careers Adviser

SCU Science and Engineering Challenge Dinner

On Tuesday 10th June the Southern Cross University hosted a dinner sponsored by Rotary Alstonville and the EAL Lab to launch their Science and Engineering Challenge. This challenge includes Primary and Secondary Schools across the North Coast Area. At the Dinner last night guests were provided with materials and were encouraged to build a catapult. The Engineers, Professors, Sponsors and Teachers demonstrated the catapults at the conclusion of dinner. Evans River Science staff Karen Warwick and Marshall Chang, Alison McGeary and ex-student Rowie Ardrill, Payne and Marshall McGeary who is now a Cadet Engineer for the Australian Army.

Partners were part of only two successful teams to propel the ball through the target. This dinner was the start of three days of competition.
On Tuesday Primary students took part in **Harmony Day**, which celebrates Australia’s diversity and that ‘Everyone Belongs’. It is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. They learnt about the food, sports, language, customs and traditions of other cultures. In Canada they played Ice Hockey!! In Scotland they made a Loch Ness monster and in China they learnt the customs. Then at lunch time the students sampled the traditional foods of other countries.

Our School is participating in the Heart Foundation’s **Jump Rope for Heart**. The students learn a range of fun skipping skills while learning the importance of healthy eating and healthy lifestyles; they also learn the importance of helping others. Moneys raised go into lifesaving heart research for children with a serious heart condition. This year our school will also benefit from any money raised as the Heart Foundation is offering 50% of the money we raise back to our school. As well as returning sponsorship money to the school if a grandparent or friend wants to sponsor they can go to the website www.heartfoundation.org.au/jumprope and click on the green ‘Kids Join Now’ button and register your child.

![Fay has a new dehydrator in the canteen and is making yummy dried fruit, such as watermelon & strawberry. Look out for these tasty treats coming soon to the menu](image)

Every year the school holds **Well Being Day**, this year we are having two days; the first for Years 7 & 8 on Tuesday 17th June and the second for Years 9 & 10 on 28th October. As well as our specialist teachers, we invite professional presenters to speak on subjects that the school feels will benefit our student’s health and wellbeing. The students rotate through six subject areas that range from **Sexual Health** covering matters such as understanding your body and the dangers of risky behaviour. **Mental Health** looks at managing your emotions and the importance of being resilient. **Martial Arts** is always popular and covers aspects of protecting yourself. Another important subject is **Drug Education** which covers a wide range of dangers and avoidance. **Look Good –Feel Good** looks at Hygiene and feeling good about oneself. Mixed into the serious part of the day is the fun subject of **Fitness** where students take part in the Velcro climbing wall in the gym. We recommend that girls wear or bring shorts for the last activity.

**Science Trivia!**

*This week our Science teachers have free student passes to the Questacon Science Circus. Questacon will be at Byron Bay this Saturday 14th June and on Sunday 15th June at Ballina. Drop your answers in the box at the front office before lunch on Friday for your chance to win a pass.*

**This Week’s Question:** Name 3 branches of science and what these branches study?

**Last Week’s Question:** If **Equine** refers to horse and **Bovine** refers to cow, what does **Murine** refer to?

**Answer:** Mouse

P&C News

Our next meetings will be held on Monday 16th June. Our morning meeting take place at 9:00am in the Administration Building and the second meeting is held in the Library at 4:30pm. Please come along and bring your ideas and suggestions.

Commonwealth Respite & Carelink Centre
Far North Coast

Our Centre is here to support family members, friends or neighbours (carers) who provide a significant amount of help to someone who is a frail older person, has a disability, or chronic, terminal or mental illness.

The Centre is funded until June 30th, 2015.

What we provide:
- Information on carer support services on the Far North Coast
- Assistance with accessing support services that meet carer and care recipient ongoing needs.
- Provision of short-term planned and emergency respite to give carers a break from their caring role.

If you are a carer and you need some help whatever your age - call us on

**FREECALL™ 1800 052 222**

*(calls from mobile phones charged at applicable rates)*

Chill Café Evans Head
Is holding a Biggest Morning Tea to raise money for cancer research.

The cost will be $12 per head, $5 of which goes to the Cancer Council.

This includes an espresso coffee or pot of leaf tea & selection of home made cake & sandwich platters.

**DATE:** 20th of June
**TIME:** 10:00am
