Term 2 K-12 Merit Assembly
At the end of term we will be having a K12 Assembly in the Gymnasium. At this assembly Merit Awards will be handed out for students attaining Bronze, Silver and Gold levels. Students have a variety of ways of earning Merits towards these awards including School Service, regular attendance, good behaviour, and school representation at events such as District Carnivals, external competitions and volunteering at school and in the community.
This year we have had a group of High School students volunteering in the Primary every morning, supporting students with their reading. They have made an amazing contribution to the success of these children and twice a term they receive merits for their efforts.

K-6 Harmony Day
Next Tuesday 10th June, Primary classes will be celebrating different cultures from around the world. Students will enjoy a selection of activities, games and foods from countries such as Greece, Indonesia, Canada and Mexico. Each teacher will focus on a country, and classes will spend time with each of the Primary teachers, sharing their knowledge and experiences, and gaining an appreciation of different cultures.

Whooping Cough
Whooping cough is spread easily by coughing and babies are at risk of severe illness if infected. Older children and adults can often get whooping cough too and they can pass the infection on to babies.
Anyone with symptoms of whooping cough should see their doctor early for diagnosis and treatment. It's especially important to see a doctor early if your baby is unwell.
Your GP can provide more information about whooping cough and vaccination.

PSSA Far North Coast Rugby Union Trials
Last week, Josh Stothard from Year 6, went to the Far North Coast Rugby Union Trials in Casuarina. He had lots of fun playing football and made it on to the District Trials, he was also offered a scholarship which is really exciting for Josh. There were around 32 players trying out and only about 10 made it on. Congratulations Josh!

K-6 Peer Support – Week 5 and Week 6
During Peer Support last week (Week 5) the children looked at qualities their friends have and the concept that we choose friends based on the qualities we admire in them. They also explored the skills of friendship, specially those of cooperating and listening. Parents can help by encouraging your child to show they are interested in the person they are talking to by being an active listener.
This week (Week 6) types of friends are the focus. Children are exploring what

**Adolescent Vaccination Program**

The North Coast Public Health Unit will again be offering a vaccination service at our school. The schedule for next week is as follows:

**Year 7 Students (Male and Female) & Year 9 Boys**

**Term 2 - 10th June**

1. Gardasil (HPV) Dose 2
2. Boostrix & HPV - catch ups if required
3. Dose 2 Gardasil (Year 9 Boys Only)

**Year 8 students HPV – Boys and Girls**

There may be a small number of students that will need to catch up in Term 2 to complete their Gardasil.

A record of the vaccination will be kept by the Public Health Unit and a copy will be provided to the vaccinated students for their records.

Parents with any questions or concerns can ring Bernadette at the Public Health Unit on 6620 7503.

**Northern Rivers Career Expo**

On Friday 16th April Year 10 students accompanied by Mr Hayward, Mrs Keogh and Mr Gillespie travelled to the Goonellabah Sports and Aquatic Centre to attend the Northern Rivers Careers Expo. We got to talk to people representing universities, TAFE and various training and employment organisations, as well as doing hands on activities such as pasta making and cabinet making. It was a great and valuable experience. Many thanks to the teachers who took us.

Kinder, Year 8 & Seniors
Recently the EcoWarriors received a NSW Environment Trust grant to purchase four TAngler Bins, which are designed for unwanted fishing line, bait bags, hooks etc. Lani Hancock, from Richmond Valley Council has been working with the EcoWarriors organising the installation and regular emptying of the bins, to be located in four popular Evans Head fishing spots, North Wall, Shark Bay, the two boat ramps east and west of the Bridge.

Ten of the EcoWarriors, Teacher Mr Grant-Frost and myself took part in the installation at North Wall. Brad Rook, EcoWarriors student Publicity Officer explained:

“On Monday 2nd June a group of primary and high school EcoWarriors walked to the beach to meet with some of Richmond Valley Council’s workmen. Our mission for the day was to watch the installation of the TAngler Bin; the bins are used for fishing waste. These bins will assist with the protection of our sea turtles and other marine and bird life. With the upcoming Evans Head Fishing Classic we need to encourage people to use the bins. Education is vital to keep our waterways clean and we should band together to promote conservation work.”

Kellie Mills found some discarded lines and hooks and was the first person to christen the TAngler Bin. A visiting fisherman, Matthew Ross also used the bin to dispose of some broken fishing line. During the installation a turtle kept surfacing next to where we were working, as if it was saying Thank You for keeping my area safe. The other three TAngler Bins were also installed on the 2nd June. Please use the bins and keep our fishing spot tidy.

Science Trivia!
This Week’s Question: If Equine refers to horse and Bovine refers to cow, what does Murine refer to?

List Week’s Question: A herpetologist investigates a number of different animals. Name any Two?

Answer: Herpetology is concerned with the study of amphibians including frogs and toads.

Walk, Jog or Run for Jamie Griffiths
Come Join Us to Raise Money for Jamie Griffiths
Family at Evans Head- Casino Surf Lifesaving Club
You can do a 3km or 6km Run or Walk on the Beach
Date: 9th June 2014
Time: Registration 10am
Adults $10
Kids $5 (14 & Under)
Family of 5 (2 Adults & 3 Kids) $30
BBQ will be available on the Day
Donations welcome
All money raised will go to Jamie and his Family

Commonwealth Respite & Carelink Centre
Far North Coast
Our Centre is here to support family members, friends or neighbours (carers) who provide a significant amount of help to someone who is a frail older person, has a disability, or chronic, terminal or mental illness. The Centre is funded until June 30th 2015.
What we provide:
Information on carer support services on the Far North Coast
Assistance with accessing support services that meet carer and care recipient ongoing needs.
Provision of short-term planned and emergency respite to give carers a break from their caring role.
If you are a carer and you need some help whatever your age - call us on
